Subject: shares Ref. Gn120112.B17

Dear FEANI President Prof. José Vieira,

We would like to direct your attention to the following:

After the FEANI GA of 2014, the FEANI NM Italy decided unilaterally it would no longer pay its designated 10 shares, but one share only. This caused FEANI acute financial stress.

In 2015, KIVI aided FEANI in her request to take on another share in order give FEANI some extra support in her dire financial situation as a result of Italy's continued refusal to pay for her shares.

Now that Italy, as a National Member, has resumed payment of 10 shares in 2017 and will continue with payment of 12 shares in 2018 and onwards, this extra financial support is no longer needed. We would therefore like to terminate our temporary support and return to paying our 3 shares starting 2018.

I look forward to receiving your confirmation.

Kind regards, Royal Netherlands Society of Engineers KIVI
